

**UPDATE: UNIVERSITY CENTERS FOR
ENVIRONMENTAL EDUCATION**

University of Kentucky

- KEEC met with representatives of KAEE and KUPÉE, and interested faculty and staff from the University of Kentucky, on February 27 to discuss creating a Center for Environmental Education at the university.
- As of March 15, Dr. Carmen Agouridis reported that a Center for Environmental Education will be created within the Tracy Farmer Institute for Sustainability and the Environment (TFISE).
- The center will be operated the a TFISE working group with the following plan of action:
 - Assemble a team
 - Needs assessment
 - Develop a webpage
 - Identify a point person

University of Louisville

- On March 4, Billy Bennett contacted two University of Louisville faculty members who had been recommended by Ashley Hoffman as possible contacts for a Center for Environmental Education.
- Billy has not received a reply at this time.
